

To Whom It May Concern:

Rhythmic Dreams, Inc. is a booster club that supports and encourages the Rhythmic competition teams of First Coast Arts and Sports. We are a 501(c)(3) non-profit organization. The sport of Rhythmic Gymnastics can be very expensive, making it difficult if not impossible for families to support their daughters to the level required to become a world class athlete.

The 2013 competition season is approaching with the girls needing to travel all around the country. So not only are the girls responsible for the cost of training but travel and equipment as well. Many of the girls are relying on sponsorships and donations to achieve this goal.

The booster club is reaching out to local businesses for any possible donations that businesses could do. This includes but is not limited to monetary, gift cards to raffle, or items to raffle. We are a small local club and any help is greatly appreciated.

We really appreciate any opportunity that you can provide for the girls to reach their financial needs to meet all of their goals and dreams.

Thank you,

Kimberly Rose
President
Rhythmic Dreams, Inc.
